

ROBOTICS + AUTOMATION

Join us! Be part of a strong network

Robotics | Automated Solutions | Machine Vision

Who we are

The European robotics and automation association

- Collaborative network
- Connecting SMEs, start-ups, established companies
- Industry-driven
- Independent
- Non-profit

420+

member companies

3 sectors

- Automated Solutions
- Robotics (Industrial and Service Robotics)
- Machine Vision

Part of VDMA network

- 3600+ member companies
- 1 of 35 VDMA trade associations
- Worldwide presence

What we do?

Connect. Create. Advocate.

- Connecting companies
- Networking events
- Collaboration and co-creation
- Standardisation
- Statistics and market intelligence
- Strategy development
- Building competitiveness
- Dialogue with policymakers
- Promoting robotics and automation

Our mission:

Strengthening the European Robotics and Automation industry

Strategic partner of world-leading trade fairs

Members

in the

driver seat!

Why join?

Be part of our strong network

- Get access to VDMA services
- Meet partners
- Stay informed
- Have your voice heard
- Gain visibility
- Shape the future of our industry
